### Travel Advisory:

If you are traveling out of the country, you must notify the credit union. If our debit card security system detects activity from out of the country, and we are not aware of your travels, your card will be deactivated to prevent fraudulent abuse. Make certain we have your current contact information on file, including a valid mobile number if you have one.

### Employment Changes:

If you change employment or your employer changes their name and you have payroll deductions attached to your payroll, please contact the credit union as soon as possible. If the necessary changes are not made, your payroll deductions will no longer be processed as the system is looking specifically at “company name” for those deductions.

Address, Phone, Email:

If you change addresses, phone numbers, or email, please contact the credit union with those changes to keep all information current.

## NEW FACES AT DCFCU!

Hello, my name is Maggie Berryman and I joined the DCFCU team in September 2021 in the Norfolk location. I currently have 2 associates degrees one in Business Administration and one in Accounting. I am working on my Bachelors in Accounting from Wayne State College and graduate in December. I look forward to the future and assisting you with all your financial needs!

Hi! My name is Carolyn Zakrzewski. I've been in the financial field for over 25 years and I'm excited to join the Dale Community FCU staff. I am married and have 2 sons. I love hanging out with my family.

Hi! My name is Carlota Davalos, but I go by Carla. I'm a personal member representative here at DCFCU. I live in Bellwood. I recently got back into the banking world after 7+ years. In my free time, I like going to the gym and getting my nails done. I also enjoy being home with my family.

Hello! My name is Shaylin. I was the summer intern, but decided to extend by stay. I have a banking certificate and will be continuing my education in finance or accounting.

## PRESIDENT'S BLOG

It's hard to believe we are approaching the end of the 3rd Quarter of 2022. It seems that fall has taken over!

We have been keeping busy with the loan specials and now starting some new ones! On 9/1/22 we started a new promotion with no payments for 60 days (Quick Cash excluded). We will also be starting another one on 10/1/22 called a Holiday Loan. Get up to \$1500 to help with your extra Holiday expenses.

Reminder: Federal Regulation D limits allows six (6) automatic withdrawals or transfers per month from savings. This is six (6) total per month. Please let me know if there are any questions on this.

I want to thank all the members who attended the annual meeting. Hopefully you all enjoyed yourself and had a good time. Also, we have the tie dye shirts available in the main office similar to what the staff wore at the meeting, for a \$20 donation which goes to Sammy Superhero's and Children's Miracle Network. We are taking orders and there are many colors available, so stop in and take a look!

Watch for our Christmas open house with special giveaways and treats for all of our members 😊  
Until next time, stay healthy, be happy and be kind to all.

May all of your holidays be special, Happy Halloween, Happy Thanksgiving, Merry Christmas and Happy New Year!!!!

### *Did You Know?*

The beneficiary(ies) named on your beneficiary card will be the recipient(s) of your money – EVEN if your will gives different instructions. To ensure you've named the right people and provided the necessary information, you should regularly perform a beneficiary review of your account(s).
